BJustCoin MEXC, BitMart and XT Exchange Listing Approval

- We are excited to announce that BJustCoin has officially received listing approval on MEXC. This marks a significant milestone in our journey toward broader market accessibility and liquidity. Moving forward, our roadmap includes optimizing trading strategies, enhancing liquidity, and launching targeted marketing campaigns to increase adoption. Additionally, we will focus on community engagement, strategic partnerships, and continuous innovation to strengthen our ecosystem. With MEXC listing secured, BJustCoin is poised for sustained growth and expansion in the global crypto market.

BJustCoin Q1 2025 Milestone: Audit Clearance & Compliance Readiness

- BJustCoin has successfully obtained audit clearance from Beosin, a globally recognized leader in Web3 security and compliance. This achievement marks a significant step forward in ensuring the highest level of transparency, security, and trust for our community and stakeholders.

Beosin's Expertise & High-Profile Audits

- Beosin has a proven track record in blockchain security, having conducted audits for top-tier projects like Solana—a leading blockchain platform with a market capitalization of approximately $65.64 billion as of March 19, 2025. Their extensive portfolio includes security assessments for 50+ public blockchains, 2,000+ smart contracts, and nearly 100 exchanges worldwide. Through a rigorous audit process, including formal verification, manual review, and simulated attack testing, Beosin ensures that BJustCoin adheres to the highest industry standards.

Audit Highlights & Security Assurance

- **Passed Smart Contract Security Audit** with no critical or high-risk vulnerabilities.
- Addressed and acknowledged minor findings to **enhance security resilience**.
- Ensured **compliance-readiness** for listing on **exchanges** and public accessibility.
  With this **milestone achieved**, BJustCoin is now primed for the next phase—**public release, exchange listings, and further ecosystem expansion**. This clearance underscores our **commitment to security, innovation, and regulatory alignment**, positioning us as a trusted player in the **blockchain industry**.
